Hope For Wholeness Referral Ministry

He rescued me because He delighted in me. Ps 18:19b

THIS MONTH'S MEDITATION SCRIPTURE: *Woe to those who call evil good, and good evil; who substitute darkness for light and light for darkness; who substitute bitter for sweet, and sweet for bitter! Woe to those who are wise in their own eyes, and clever in their own sight. Isaiah 5:20,21*

Minor Attracted Persons: A New Classification of Perversion

About nine months ago, an article appeared on the website Now the End Begins, <https://www.nowtheendbegins.com>. It was titled "PEDOPHILES ARE NOW CALLING THEMSELVES 'MINOR ATTRACTED PERSONS' AND WANT INCLUSION IN LGBTQ MOVEMENT". One of their goals is to be seen in the LGBTQ community as well as in our culture as a recognized, legitimate and acceptable minority, the same as gays, lesbians, bisexuals, and transgenders. They call themselves MAPS, and have developed their own pride flag similar to the LGBTQ rainbow flag, except that the MAPS flag is mainly in pastel colors.

Several years ago, I stated in one of these newsletters that this was a thing, and it was coming. It is now here!

According to The Daily Caller, a "conservative American news and opinion website based in Washington, D.C.," and founded by Tucker Carlson and Neil Patel, "Pedophiles are rebranding themselves as 'MAPs' or 'Minor Attracted Persons' in an effort to gain acceptance and be included into the LGBTQ community. According to Urban Dictionary, the blanket term MAP includes infantophilia (infants), pedophiles (prepubescent children), hebephiles (pubescent children), and ephhebophiles (post-pubescent children). Some MAPs also refer to themselves as NOMAPs or "Non-Offending Minor Attracted Persons"... The "MAP/NOMAP community" tries to pull at people's heartstrings by claiming that pedophiles are misunderstood marginalized people, and that as long as their attraction to children is not acted upon — or in some cases when they get permission from the child — that they should not be villainized."

For Bible-believing Christians, this brand of perversion of God's gift of sexual expression to mankind is yet another reminder that the Scriptures teach us that in the last days it will be as it was in the days of Sodom and Gomorrah. This declaration of deception is no surprise to God, and it should not be anything to shake us or cause our faith to waiver. Rather, it is further

proof that His Word is true and reliable. Father's Biblical standard for sexual expression remains the one blessed only within the confines of marriage, which is one man married to one woman for life. Any expression other than this is labeled as sin in the Scriptures.

God's charge for us to live our lives in holiness and purity continues to be our standard, and something for which we all strive in our daily journey with Him.
