## ***He rescued me because He delighted in me. Ps 18:19b***

**THIS MONTH'S MEDITATION SCRIPTURE: *How blessed are the people whose God is the Lord! Psalm 144:15b***

### ***In These Days Repentance is a Necessity***

How blessed are the people whose God is the Lord! This declaration from Scripture used to be true of the people of the USA, I believe mostly because we acknowledged we were a Christian nation. It was founded on biblical principles by men who largely believed that embarking on the establishment of a new country would require the unmistakable intervention, guidance and blessing of their God. Judean-Christian beliefs and traditions are reflected in our country's founding documents.

Unfortunately, I believe it is no longer accurate to label the United States a Christian nation because for so many decades now increasing numbers of its citizens have turned away from God, and His Church. As that turning away has occurred, our culture has become more humanistic and secular, those beliefs even having infiltrated the Church. And yet, there are still millions upon millions of Bible-believing Christians who choose to remain faithful to the Scriptures for living out their days.

The apostle Paul warned his spiritual son Timothy, writing him, "But realize this, that in the last days difficult times will come. For men will be lovers of self, lovers of money, boastful, arrogant, revilers, disobedient to parents, ungrateful, unholy, unloving, irreconcilable, malicious gossips, without self-control, brutal, haters of good, treacherous, reckless, conceited, lovers of pleasure rather than lovers of God; holding to a form of godliness, although they have denied its power; and avoid such men as these." 2 Timothy 3:1-5 Sadly, this is the state of our country, as well as many of its Christian church congregations.

It is time for us all to make repentance a way of life before God. It is the Church who must lead the way, setting the example for those who have been deceived and fallen away, demonstrating to the lost what God's transformation looks like born from true repentance. If we do not become a nation that turns back to God, could it be that we are in danger of incurring God's judgment on our country? And, if so, could that judgment come in the form of who He allows to be set in as our next President? It is the Church only who can take the lead in this return to Him as we as His sons and daughters repent and intercede to stand in the gap for

our nation. And it is God responding to His people's intercession and mercy only that will save us.
